Program Talk

JERRY SHORE has become Executive Vice President of Pacifica Foundation. His warmth, enthusiasm, and executive competence are already proving highly valuable to the whole organization.

Jerry is a native New Yorker, who has lived for many years in Detroit and more recently in San Francisco. He will make his headquarters in San Francisco, with many visits to all three Pacifica stations. He is an army veteran of World War II, and a former Co-Director of Heidelberg G.I. University. He has spent many years in union organization. He has occupied executive positions with land development firms in Michigan and Palo Alto. We welcome him to Pacifica.

about drama and literature

In newspaper jargon "30" is the end of the story. The important story about Ernest Hemingway is the body of work that began in the Michigan woods and ended on a Cuban fishing boat.

There have always been many things said about Hemingway, and mostly there have been too many things. It has gotten in the way of the writing itself.

Hemingway was the writer who took the big risk with language. He dared to write simply, which is not at all the same as writing easy. His mark was indelible and American writing was never the same.

His books were out for the big game — experience. His work was a study in actualities.

30 FOR PAPA, a portfolio of programs scheduled at 8 p.m. on August 25-29, comprises selections from Hemingway's novels and short stories, articles and comments about the author, and features a premier production of his 1938 dispatches on the Spanish Civil War.

about public affairs

We invite your attention to some unusual programs. The treatment of DRUG ADDICTION in New York, California, and England is explained on Sunday the 26th and Friday the 31st. Three aspects of GROUP THERAPY are featured on

Thursday the 30th and Sunday the 2nd. Ralph Schoenman, BERTRAND RUSSELL'S SECRETARY, offers non-pacifist comments on Saturday the 25th and Sunday the 2nd. And Supreme Court Justice William Douglas explores THE SICKNESS OF AMERICA on Wednesday the 29th and Saturday the 1st.

about music

We celebrate the birth of Claude Debussy 100 years ago on August 22nd at 8 p.m. with the broadcast of his opera PELLEAS AND MELISANDE. Our morning and noon concerts on the 22nd and 23rd will do homage to him. And we celebrate belatedly the July appointment of Dr. Robert Trotter, our Music Director, as Chairman of the Music Department at UCLA.

MAN ON EARTH

BY

S P R CHARTER

CONTACT EDITIONS takes pleasure in announcing the publication of one of Pacifica Foundations most widely discussed and provocative series...

What is man for? Whether asked in anger or anguish, in frustration or defiance, in humility or arrogance or despair, what man is for remains a question of both cosmic and intimate significance... Certainly man is more than a consumptive-unit, more than a biologic organism charged only with his own continuance, and more than a generator of obliterative threat... But how much more? Man is here. What is he here for? Each must seek his own answer... In a series of eloquent essays, setting forth a preliminary evaluation of the Ecology of Man, and a plea for a design-theory for his continuation on Earth, Charter in his own search probes the questions of our day with fierce clarity, and asks many of his own. His search may well be yours...
